

The Unique Adventure of Rattax

Part 2

Well here i am. With my giant clone too.

Hey clone.

What?

I'm cold.

Here, cuddle
up in my paw.

Thanks, that's better. The
body heat keeps me warm.

Well, i'm bored. I guess i'll pleasure myself, by fingering my asshole. You can watch to if you want, clone.

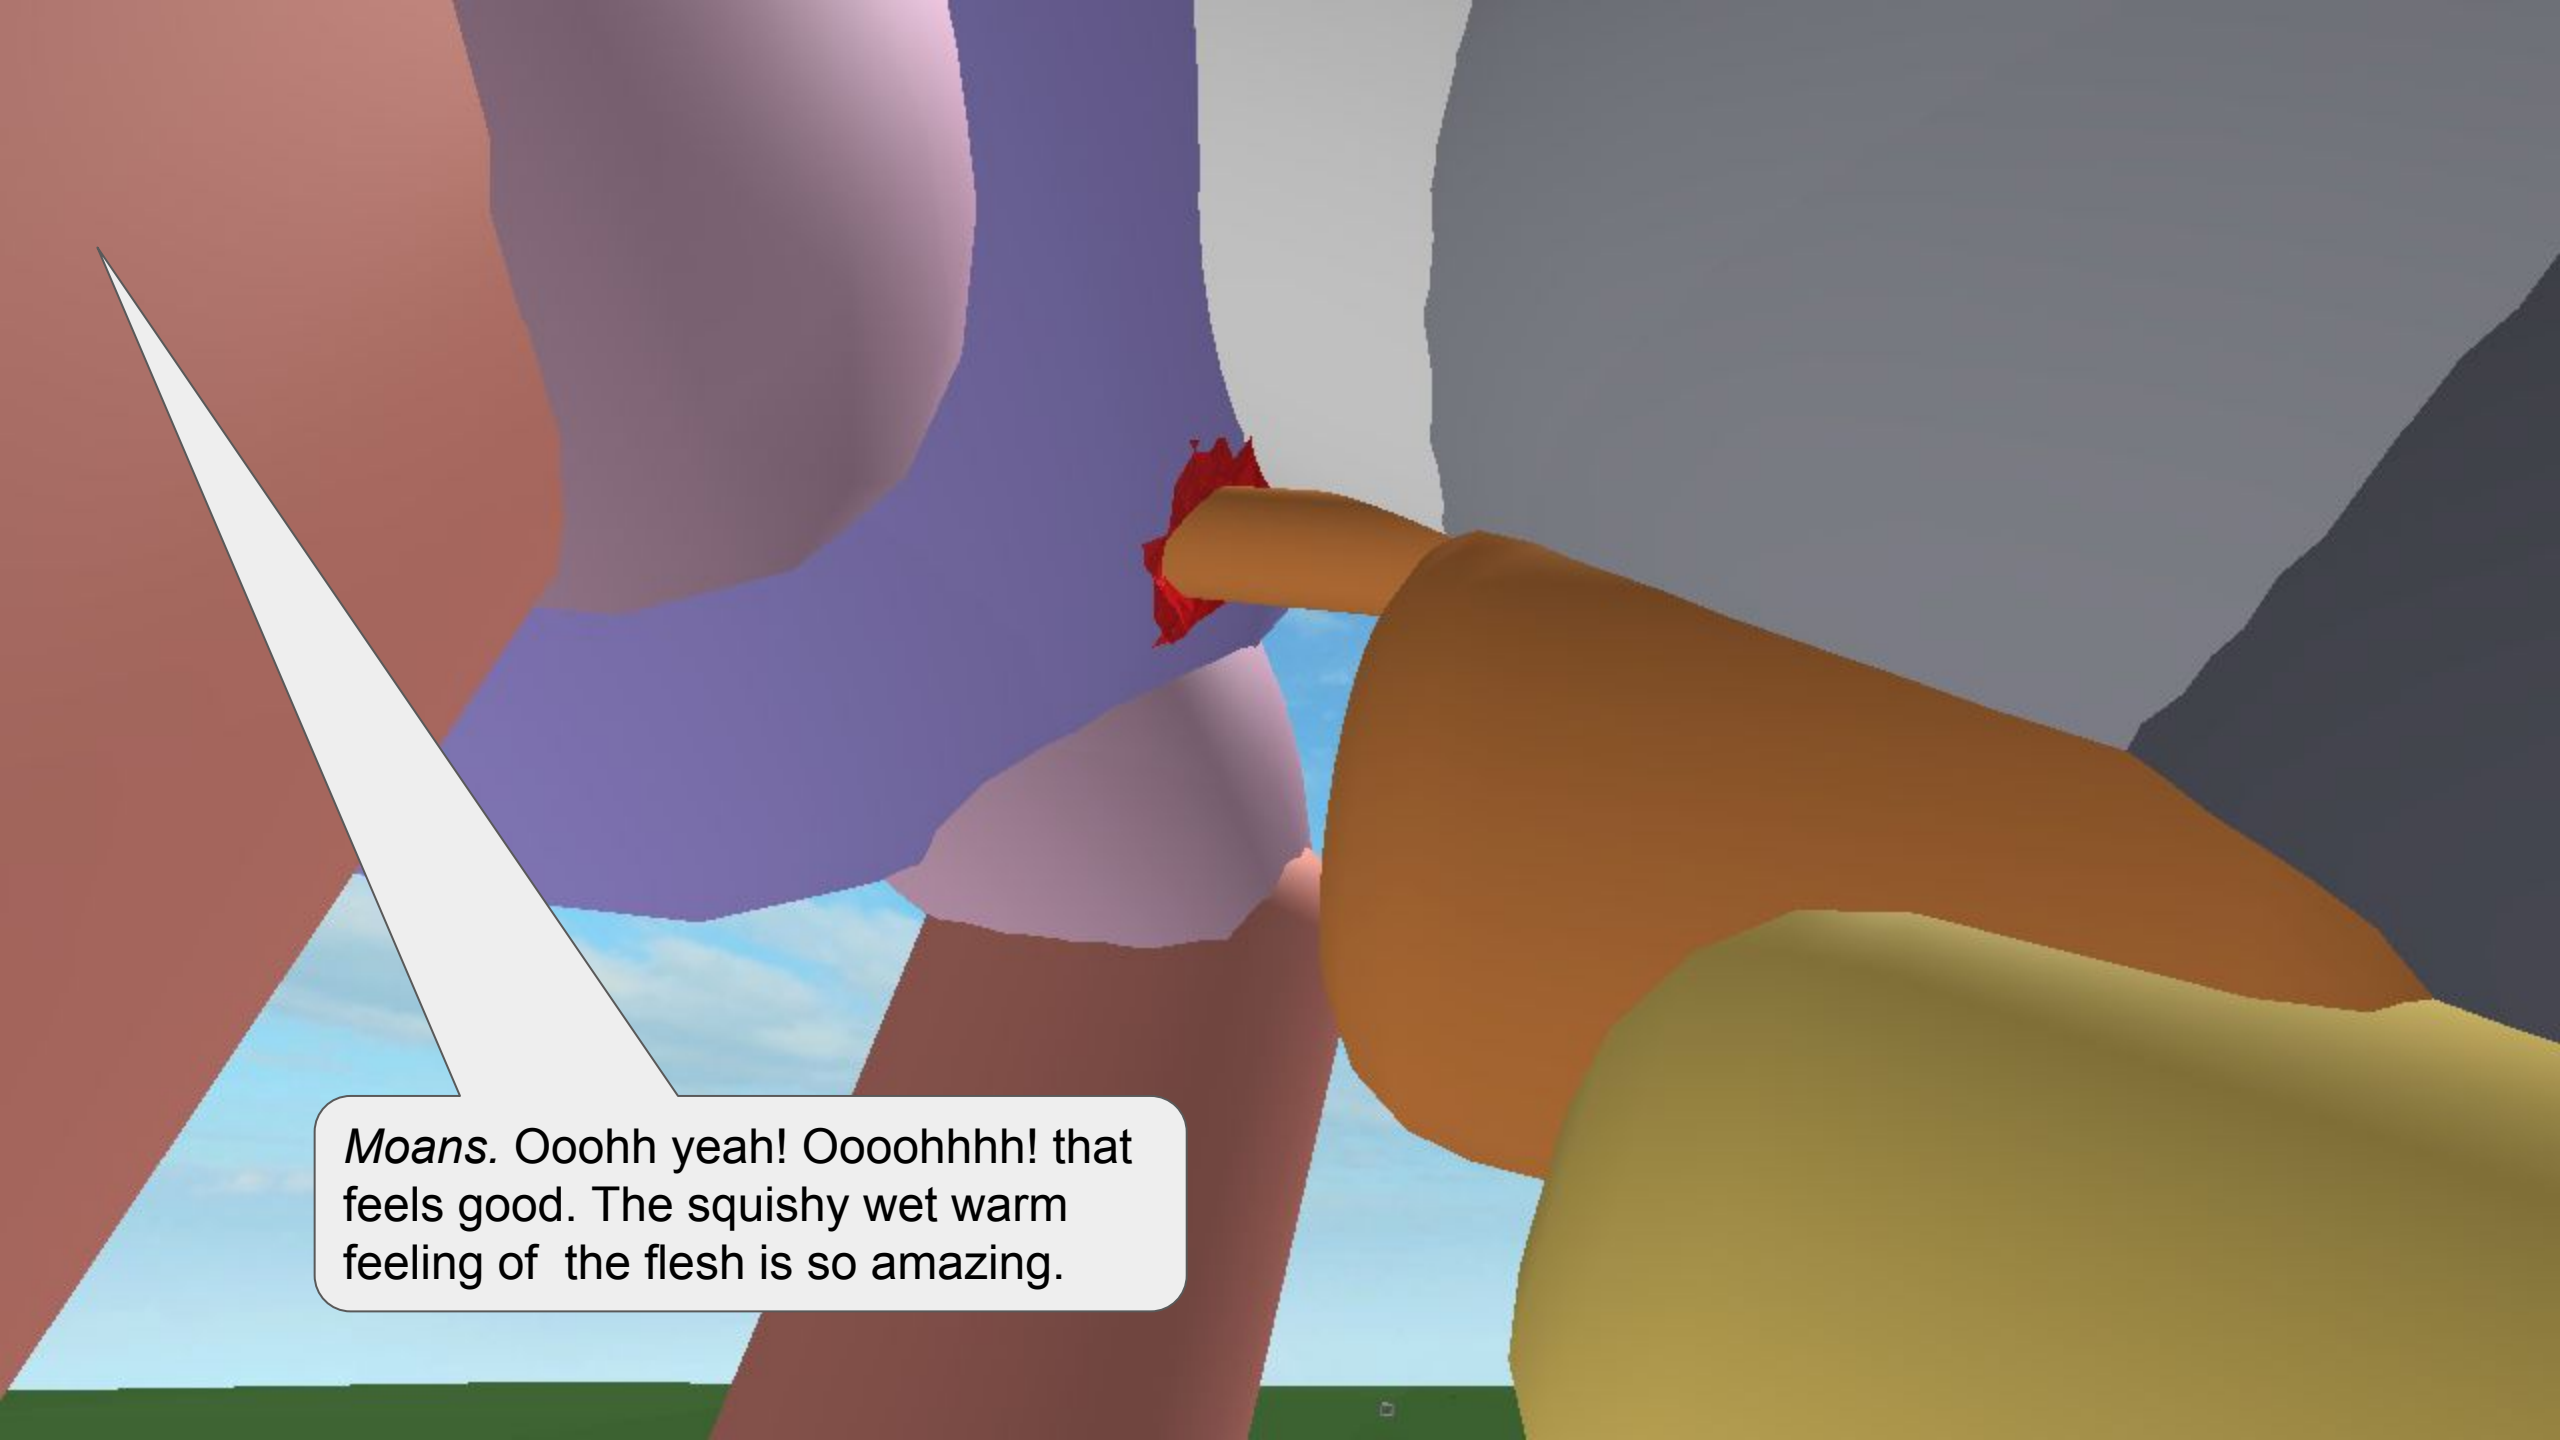

Ok, and yes, i like to watch.

Ok. Well, here goes.

Moans. Ooohh yeah! Oooohhhh! that feels good. The squishy wet warm feeling of the flesh is so amazing.

Well, i'm done. Let's go find a place to live. Can you carry me?

No, because i
can't walk on 3
feet, i'm sorry.

Oh, that's alright. We
can stay here until i
think of something.

A few seconds later.

Well i can't think of anything.
All i can think about are the
wonderful feelings of my
rectum. Hmm... hmm... that's it!

What?

I just got an idea of where to live.

Where?

Ok, hear me out.

Yeah?

What if, you let me live in your rectum. Let me explain, you won't have to carry me. It will keep me safe from danger and the cold. and it will just feel so great!

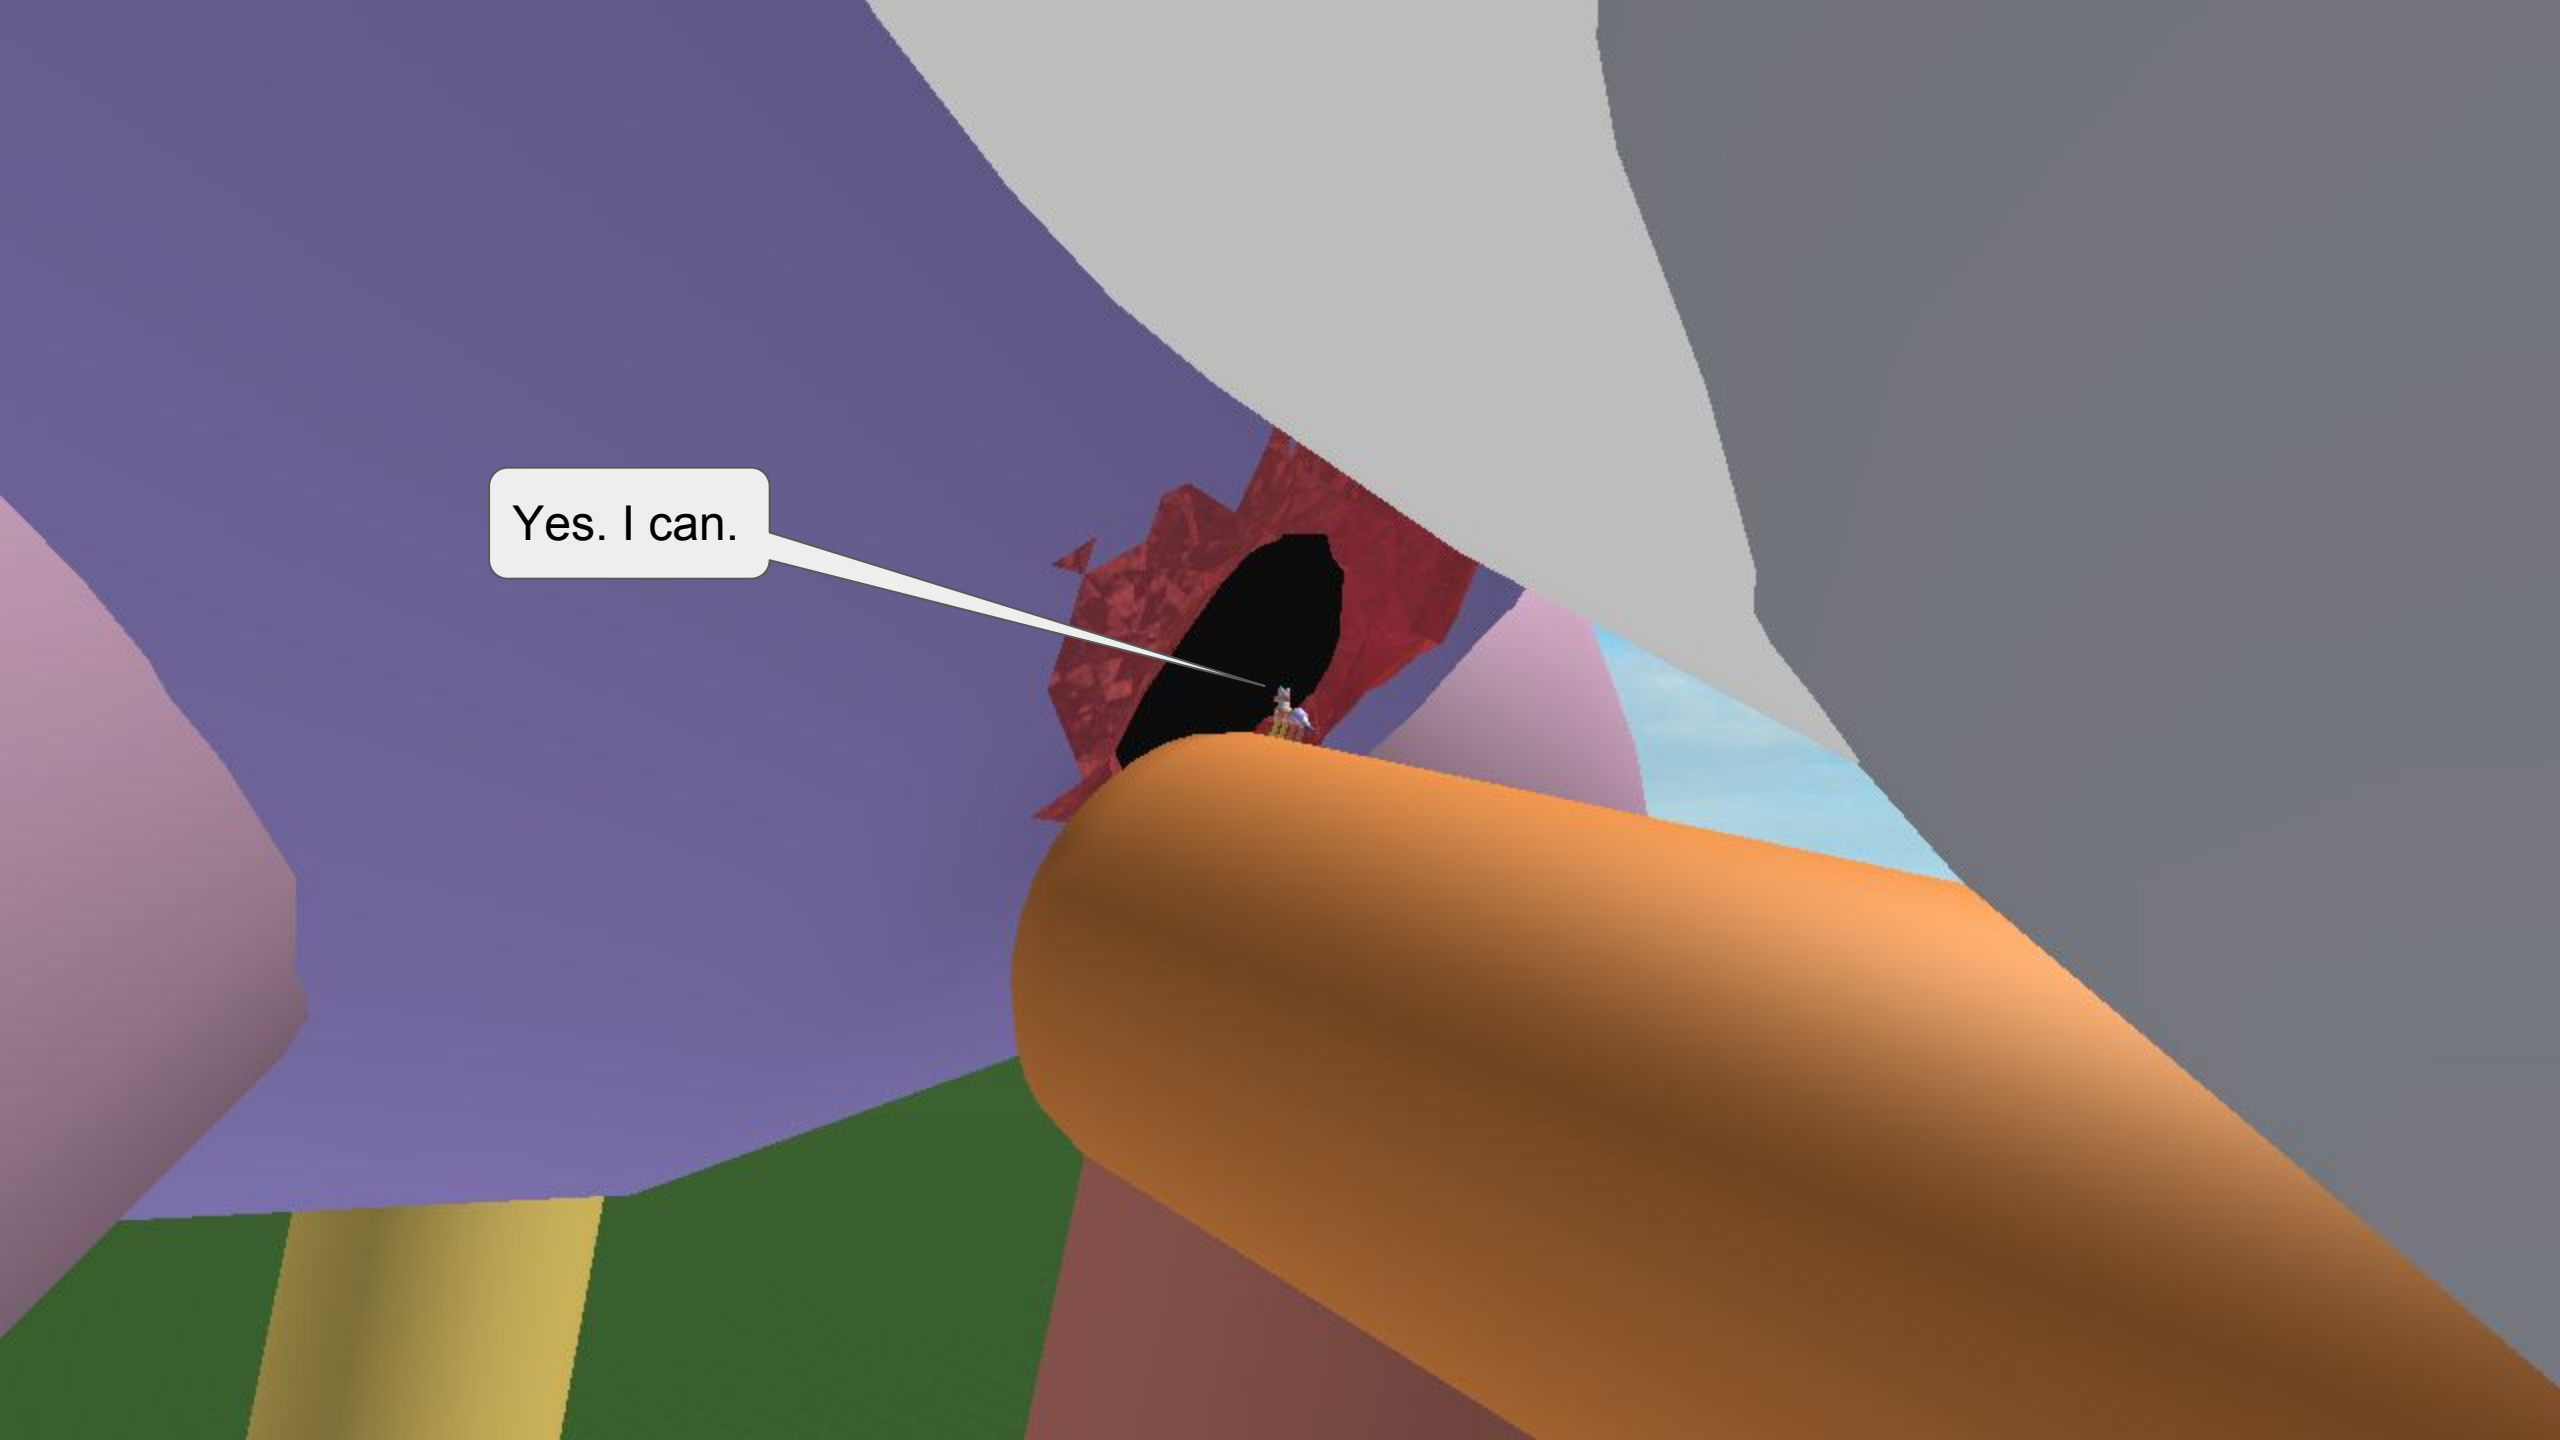

Bitch, ya had me at
"live in your rectum".
Let's do this.

Can you reach it?

Yes. I can.

I'm going in.

Oh my god, i was right
it's so warm and wet
in here, it feels great.

A 3D rendered creature with a reddish-brown body, blue eyes, a blue nose, and purple ears. It has a blue collar, a red skirt-like piece, and a purple and orange striped tail. The creature is standing on a green field under a blue sky. A speech bubble points to its ear.

I agree it feels great for me too. I can feel you moving inside me.

A dark, cave-like environment with a character and a red square. The scene is dimly lit, showing a character with a blue and yellow body in the center. A red square is visible on the ground to the right. A speech bubble on the left contains the text "Only problem is that it's dark." The background consists of dark, textured rock walls and a dark opening in the distance.

Only problem is that it's dark.

Well i'll look for a light, while i look for a home for me. I'll probably live in a huge cave, or something. Well enjoy your new anal home.

Oh i will, a lot.

That's all fuckas! Stay tuned
4 the next episode.
